One of the primary goals of Burma Issues is to serve as a resource for those who wish to understand the issues in Burma in a deeper sense. We hope that by producing an index of past issues it will enable our readers to use our publication to greater benefit. We have organized this index by location, for stories about conditions inside Burma, and by subject.

**People’s Stories**

**Chin State**  
November 2000, “The Other Side: Putting the Chin Back into Focus.”

**Irrawaddy Division**
