Pyithu Hluttaw 9 February, 2015

12th regular session of Pyithu Hluttaw continues

Nay Pyi Taw, 9 Feb — Pyithu Hluttaw session on Monday discussed religious affairs, availability of call centres in the entire country, repairs of rural roads and upgrading of monastic education schools.

Concerning the question on availability of call centres in the entire country raised by Representative U Min Swe of DaikU, Deputy Minister for Agriculture and Irrigation U Ohn Than said that arrangements are under way for mobile phone networks to cover the entire country so that farmers can communicate for their needs.

As for the motion calling for the upgrading of monastic education schools, Deputy Minister for Religious Affairs Dr Maung Maung Htay said that the ministry has been upgrading monastic education schools when they meet their respective requirements and salaries for teachers at monastic education schools will be raised according to the number of students at each school approved by state/region supervisory committees for monastic education schools. — MNA
