14th July 2023

1. The National Unity Government of the Republic of the Union of Myanmar considers the disclosures made by the Thai Deputy Prime Minister and Foreign Minister Don Pramudwinai, to the ASEAN Foreign Minister's Meeting and to the press, of an engagement with the State Counsellor Aung San Suu Kyi on his recent trip to Myanmar contravene ASEAN's authority, the ASEAN Five Point Consensus, and the role of the ASEAN Special Envoy.
2. In particular, the Thai Foreign Minister's unilateral report of the alleged views and position of Aung San Suu Kyi are unacceptable and illegitimate, in view of her inability to not only receive factual and complete information, but to also speak freely and openly under her current arbitrary detention and solitary confinement.
3. We will continue to welcome all good faith efforts of the international community, including our neighbors, to promote a lasting and durable peace, justice and freedom, and the flourishing of a federal democracy in Myanmar, but we must stress that these outcomes will never be achieved by enabling, engaging, and cooperating with the illegitimate military coup council.
4. The ultimate goal of Myanmar's Spring Revolution is the permanent removal and ending of all dictatorships that have become entrenched, persistent, and have oppressed Myanmar over the past 70 years, and to establish a federal democratic system free from the influence and remnants of dictators.
5. In order to successfully achieve this goal, various revolutionary forces and organizations with diverse representation have united and are working together

hand-in-hand with the principles of collective leadership, collective responsibility, and enduring commitment based on equality.

6. As such, the National Unity Government, with a firm hold on the vision and values of a federal future, pledges to continue in our efforts to achieve these revolutionary goals established in line with the aspirations of the people, unwavering and unshakeable until victory.
