“Message of Congratulations on President U Win Myint’s Return to His Family”

Date: April 22, 2026

U Win Myint, the President of the Republic of the Union of Myanmar, who was unlawfully arrested and detained by the terrorist military on February 1, 2021, while serving in his capacity as President, has reunited with his family on April 17, 2026, after more than five years.

On this occasion, the Steering Council for the Emergence of a Federal Democratic Union (SCEF) expresses its great joy and congratulations together with his family and with all the people of Myanmar.

We sincerely wish that President U Win Myint will have good health and that he will be able to continue to safely carry out responsibilities for the benefit of the country and its people.

We will continue to make every possible effort, together with all the people of Myanmar, to ensure the swift and unconditional release of all political prisoners, including State Counsellor Daw Aung San Suu Kyi, who remains unjustly detained.
