A group of Union Solidarity and Development Party (USDP) supporters in Magwe region stabbed two people to death on Friday in a mob attack against a National League for Democracy (NLD) official and his family, one of the survivors said. The two were on their way home from a friend’s house with six other family members in the morning when a group of about 25 knife-wielding USDP supporters attacked them in front of a wood workshop, said Bo Bo, who survived the attack and is Htway Naing’s son.

The office of the We Love Yangon was broken into, smashing doors and furniture, and the accessories of the office were destroyed and looted today. The raid was so panic-stricken that a 35 year old woman, who tried to sneak out through the fire-escape, dropped off from the fifth floor onto the ground, heavily cutting her head and died.
