The Karen Refugee Committee expresses its sincere gratitude to the Thai authorities and to the people of the Kingdom of Thailand for the kindness and understanding that they have shown towards the Karens and other displaced people from Burma who are in trouble and in need,, This noble gesture of goodwill and understanding is sincerely appreciated and will always be remembered by the Karen refugees and the Karens of Burma.

The committee also expresses its sincere gratitude to the individuals and agencies who through these years have done so much to help. These help and support has enabled the refugees to survive as they struggle on their part to acquire those other items of daily need.

The refugees dream of peace and the chance to go back to a home and to a country that is free from fear and oppressions. They left their home and their country because of war, because of terrible experiences and because of well-founded fears. We are sad to note that the situation back home has shown no sign of improvement. Affected villagers are still coming in droves to the border for refuge and for help.

It is our ardent wish that, through the concerted efforts of every peace loving people at home and abroad, a practical solution to the Karen refugee problem and to the Burma problem could be found.

Yours faithfully,
