MONTHLY

REPORT

AUGUST

1994

## AUGUST 1994

Flood water had done great damage to cultivation plots on the Burma side also. It will make the already difficult plight of the civilians there worse. Lack of food is reported again in many areas.

The Karen Refugee Committee expresses its sincere gratitude to the Thai authorities and to the people of the Kingdom of Thailand for the kindness and understanding that has been shown to the Karens and other displaced people from Burma who are in trouble and need. The committee is fully aware that this kindness and understanding is utterly vital for the survival and well being of these people during their stay in Thailand. This noble gesture of goodwill is sincerely appreciated and will always be remembered by the Karens of Burma,

The committee also expresses its sincere gratitude to the individuals and agencies for the noble deeds that have been done in many ways through the year 3 to help these displaced people in the camps.

Efforts to bring peace back to Burma is greeted with high expectation by these people in the camps as it also is by the people of Burma and by the world community. The future is still bleak and uncertain but it is our ardent wish that, through the sincere and concerted efforts of every peace loving people around the world, a practical solution to the problem could finally be found.

Yours faithfully,

Robert Htwe  
Chairman  
Karen Refugee Committee
