The Karen Refugee Committee expresses its sincere gratitude to the Thai authorities and to the people of the Kingdom of Thailand for the kindness and understanding that has been shown to the Karens and other displaced people from Burma who are in trouble and need. The committee is fully aware that this kindness and understanding is utterly vital for the survival and well being of these people during their time of refuge in Thailand. This noble gesture of goodwill is sincerely appreciated and will always be remembered by the Karens of **Burma**.

The committee also expresses its sincere gratitude to the individuals and agencies for the noble deeds that have been done in many ways through the years to help these people who are taking refuge in the various Karen refugee camps in Thailand.

Efforts to bring peace back to Burma is greeted with high expectation by these people in the camps as it also is by the people of Burma and by the world community. The future is still bleak and uncertain but it is our ardent wish that, through the sincere and concerted efforts of every peace loving people at home and around the world, a practical solution to the Burma problem could finally be found.

Yours faithfully,

Robert Htoo
Chairman
Karen Refugee Committee
