

Amb. Mr. PARK Sang-ki

**Adoption of the Report on Myanmar
31st January 2011**

Thank you very much Mr. President,

On behalf of the troika, comprised of the delegation of the Libyan Arab Jamahiriya, the delegation of the United States and my delegation, it is my honour to present the draft report of the Universal Periodic Review working group on Myanmar A/HRC/WG.6/10/L.7

Let me remind you that this report is to be adopted during the upcoming 17th session of the Human Rights Council which is due to take place in June 2011.

Mr. President,

Please allow me to express our sincere appreciation to the Myanmar for the good cooperation, flexibility, and open mindedness it has shown during the interactive dialogue that took place with the different members and observer countries.

The draft report includes 190 recommendations put forward to Myanmar by the delegations. Out of these 190 recommendations, 64 enjoy the support of Myanmar and 10 are indicated as being already implemented or in the process of implementation. 70 recommendations do not enjoy the support of Myanmar and the 46 remaining recommendations will be examined by Myanmar who will provide responses in due time, but no later than the 17th session of the Human Rights Council which is due to take place in June 2011.

Mr. President,

I would like to conclude by expressing, once again, my sincere appreciation to the Secretariat and the other members of the troika for their hard work and efforts in producing this draft report in such a limited period of time.

Thank you, Mr. President.
