Pyidaungsu Hluttaw continues discussions

Nay Pyi Taw, 11 Nov — Dr Myat Nyana Soe, joint secretary of the Joint Bill Committee, submitted his committee's report to the Pyidaungsu Hluttaw on Tuesday in connection with a bill that amends the development fund law for the Pyidaungsu Hluttaw returned by the president.

Regarding the functions of the executive sector, the president will adhere to prescriptions mentioned in the Constitution, the report stated.

The auditor-general of the Union is to report on his findings to the president and the Pyidaungsu Hluttaw simultaneously and when requested submit an auditor's report to the Speaker of the Pyidaungsu Hluttaw, the report said.

The Joint Bill Committee suggested that the auditors-general of Regions or States submit reports of their development activities to the auditor-general of the Union, who will in turn submit auditor's reports to the president and the speaker of the Pyidaungsu Hluttaw.
