Rehabilitation tasks in progress in Yangon

YANGON, 18 May - Member of Natural Disaster Preparedness Central Committee Minister for Information Brig-Gen Kyaw Hsan met people of Pazundaung Township this morning and explained supply of relief aid and progress in rehabilitation tasks being carried out in storm-hit regions.

At Basic Education High School No 2 on Maha Bandoola Street in Pazundaung Township, the minister met storm victims from Wards 1, 2, 8, 9 and 10 at 9 am. He also met with the victims from Wards 3, 4, 5, 6 and 7 at No 3 BEHS.

At the meetings, the minister explained measures for relief, supply and rehabili-tation tasks being taken as the national duty by the government, contributions of the government, Tatmadaw-men, members of Myanmar Police Force, service personnel, social organization members and wellwishers to the storm survivors, efforts made for turning the conditions of the local people to normalcy in a short time, and transport, power and water supply and health care services being facilitated as usual to the Yangonites within a week, and he presented rice and relief aid to them.

Afterwards, the minister cordially greeted the victims.

Specialists Team of MWAF, MRCS provide health care services to storm victims

YANGON, 18 May - A specialists team of the Myanmar Women's Affairs Federation and the Myanmar Red Cross Society led by Dr Daw Khin Hsan Nwe provided health care services to storm victims at the relief camp in Latkhaik Village of Kawhmu Township yesterday morning.

The medical team comprised eye specialists Dr Daw Nilar Thein and Dr Daw Chaw Wai Lwin, physician Dr Daw Aye Aye Gyi, pediatricians Dr Daw Yuzana Saw Myint and Dr Daw May Hsu Han, GPs Dr Daw Nwe Nwe Hlaing and Dr Daw Ohnmar Swe, Dr Tint Naing and Dr Aye Win Myint Phyo of Workers' Hospital, doctors and students from University of Medicine-1 and Magway University of Medicine and wellwishers of Kandaw-gyi Pale Health Family.

Pale Health Family led by Dr Daw Khin Hsan Nwe presented relief aid for storm victims to Chairman of Yangon Division Peace and Development Council Commander of Yangon Command Maj-Gen Hla Htay Win.

The medical team provided medical treatment to 165 patients of storm victims.

Minister U Soe Tha meets British Foreign Office Minister

YANGON, 18 May - Minister for National Planning and Economic Development U Soe Tha received British Foreign Office Minister Lord Malloch Brown, the British Ambassador to Myanmar and Ms Sue Wardell of Department for International Development (DFID) and delegation members at National Archives Department under the Ministry of National Planning and Economic Development at 2.30 pm today.

At the meeting, the British Foreign Office Minister discussed matters related to relief aid being provided and assistance to be rendered in the reconstruction period. Minister U Soe Tha explained matters relating to prompt measures taken during the storm, relief and reconstruction work being carried out and cooperation with international organi-zations in reconstruction tasks.

Deputy Minister of Foreign Affairs of Japan calls on Minister for Health

YANGON, 18 May- Deputy Minister of Foreign Affairs of Japan Mr Hitoshi Kimura called on Minister for Health Dr Kyaw Myint at the old office of the Ministry of Health this morning.

Present were Deputy Minister for Health Dr Mya Oo and the deputy directors-general under the Ministry of Health.

The Japanese Deputy Minister of Foreign Affairs was accompanied by Japanese Ambassador to Myanmar Mr Yusuaki Nogawa, Deputy Direc-tor-General of Asia and Oceania Affairs Bureau Mr Kazuhide Ishikawa and Myanmar in-charge of First South East Asian Affairs Department Mr Hideyuki Yazama.

The Japanese Deputy Minister explained the bilateral cooperation with five organizations in Myanmar and Japan would like to send an emergency medical team to Myanmar.

Minister Dr Kyaw Myint said the bilateral cooperation is useful and discussed health matters.

Rehabilitation and reconstruction for Ayeyawady Div

YANGON, 18 May - A total of 12 vehicles carrying CI sheets and construction materials, blankets, kitchen utensils, foodstuff, purified water, oil and fluorescent lamps to be used in carrying out rehabilitation and reconstruction tasks for storm victims left here for Labutta, five vehicles for Dedaye and two vehicles for Myaungmya today.

Supply of power, installation of power lines inspected

YANGON, 18 May - Minister for Electric Power No 2 Maj-Gen Khin Maung Myint attended the supply of electricity in Yangon at the hall of Yangon City Electricity Supply Board, here, yesterday morning.

Deputy Minister Brig-Gen Win Myint reported on priority being given to supply of power in Ayeyawady Division.

Officials submitted respective reports. The minister instructed them to place emphasis on supply of electricity for the people and attended to the needs.

In the afternoon, the minister inspected repairing of power line along Bayintnaung Road in Insein Township and installation of power line to CNG filling station No 012 (Ywama). The minister also viewed substitution of pylons and lamp-posts in Mayangon and Bahan townships, and supply of power from Hlinethaya Power Station to sub-station No 1 and No 2.

Information Minister pays homage to Shwephonepwint Pagoda

YANGON, 18 May- Member of the National Disaster Preparedness Central Committee Minister for Information Brig-Gen Kyaw Hsan paid homage to Shwephone-pwint Pagoda and inspect-ed renovation tasks of damaged religious build-ings this morning.

First, secretary of pagoda board of trustees U Win Aung briefed the minister on damages to religious buildings due to the storm.

After hearing the re-ports, the minister gave instructions to systematic renovation of the build-ings with the help of the technicians and attended to the needs.

NPED Minister receives Japanese Deputy Minister

YANGON, 18 May - Minister for National Planning and Economic Development U Soe Tha received Deputy Minister of Foreign Affairs of Japan Mr Hitoshi Kimura and party at the National Archives Department on Pyidaungsu Yeiktha Road, here, this after-noon.

At the call, the Japanese Deputy Minister, on behalf of the people and the Japanese Government, expressed sympathy for the damage and loss of Myanmar hit by the cyclonic storm, and discussed current relief assistance programme of Japan for the victims and future plans.

Minister U Soe Tha explained undertakings of the government for the storm victims, rehabili-tation tasks, resumption of agriculture, meat and fish and salt industries in the storm hit regions and fulfilling the requirements of the victims for rehabilitation.

Deputy FM receives British Foreign Office Minister

YANGON, 18 May-Deputy Minister for Foreign Affairs U Kyaw Thu received British Foreign Office Minister Lord Malloch Brown at Sakura Room of Chatrium Hotel on Natmauk Road here at 10.30 am today.

Also present on the occasion were Director-General U Paw Lwin Sein of Training, Research and Foreign Languages Department under the Ministry of Foreign Affairs and Deputy Director-General Daw Yin Yin Myint.

The guest was accompanied by British Ambassador to the Union of Myanmar Mr Mark Canning, Director Ms Sue Wardell of Department for International Develop-ment and members.

At the meeting, the Foreign Office Minister said that British people felt terribly sad about Myanmar people who had suffered from the evil consequences of the severe storm; that the British government is ready to participate in the ASEAN-led international drive in rehabilitation of regions hit hard by the storm; that it is our hope that the humanitarian aid extended by the British government can lead to further fostering relations between the two nations; and that the aid extended by the British government is not for political gains but for storm victims of Myanmar.

Deputy Minister U Kyaw Thu thanked the Foreign Office Minister and said that the Myanmar government will cooperate with ASEAN nations and United Nations in rehabilitation of storm-hit regions; and that the rehabilitation drive will begin to take shape in a few days.

Deputy Foreign Minister receives Japanese counterpart

YANGON, 18 May- Deputy Minister for Foreign Affairs U Kyaw Thu received his counterpart Deputy Foreign Minister of Japan Mr Hitoshi Kimura at Chatrium Hotel on Natmauk Street here.

Also present on the occasion were Director-General of Training, Research and Foreign Languages Department U Paw Lwin Sein, Japanese Ambassador to the Union of Mayanmar Mr Yasuaki Nogawa, Deputy-Director General of Asia and Oceania Affairs Bureau Mr Kazuhide Ishikawa, responsible person of Myanmar from First Southeast Asian Affairs Department Mr Hideyuki Yazama.

The deputy ministers exchanged views on bilateral cooperation and had a discussion on damages caused by Nargis and assistance from Government of Japan to Myanmar.

Next, the deputy minister hosted lunch to his counterpart.

Health Minister meets British Foreign Office Minister

YANGON, 18 May - Minister for Health Dr Kyaw Myint received British Foreign Office Minister Lord Malloch Brown at the hall of Yangon General Hospital this morning.

It was also attended by Deputy Minister Dr Mya Oo, the deputy directors-general of departments under the ministry, British Ambassador to the Union of Myanmar Mr Mark Canning, Director-General Ms Sue Wardell of Department for International Develop-ment of Britain.

British Foreign Office Minister said it is heartening to see the cooperation between the two countries. The 3 Diseases Fund Project stands witness to the cooperation between Britain and the Myanmar Ministry of Health. Next, he said he would like to know health matters after the storm in some regions of Myanmar.

Health Minister explained that 12 forward camps, six middle camps and three rear camps are kept open in accord with the guidance given by the Head of State, infectious diseases which may break out after the storm are under control, preventive measures against DHF are being carried out and plans are underway to give anti-measles injections to the children under five before they reach home.

Vietnamese Ambassador, wellwishers present relief supplies

YANGON, 18 May - Wellwishers have provided cash and kind for storm victims.

Vietnamese Ambas-sador Mr Tran Van Tung and Deputy Director of Dong A (Money Transfer) Mr Tran Huu Tai, Thien Le, Tran Nhat Minh of Vietnam Relief Effort and the Vietnamese Buddhist Family and Sister Dieu Hieu and party presented rice, edible oil and dry noodle worth US$ 27000 for storm victims to Deputy Minister for Social Welfare, Relief and Resettlement Brig-Gen Kyaw Myint and officials at Fire Services Depart-ment (Head Office) in Mayangon Township, here, this afternoon.

Local and international donors may contribute relief funds and supplies for the victims earnestly and generously

NAY PYI TAW, 18 May-The National Disaster Preparedness Central Committee yesterday issued News Release No 3.

The News Release No 3 is as follows:-

News Release No 3

1. As Nargis cyclone hit the Union of Myanmar, local and international donors have been sending donations in cash and kind. The donations are accepted systematically and distributed promptly to the storm-hit areas by committees concerned. Arrangements have also been made to take deterrent action against those who misappropriate relief funds and supplies. It was announced on 15th May as follows.

News Release of the National Disaster Preparedness Central Committee

1. Some areas in Myanmar were hit severely by the Cyclone “Nargis”. Now the nation is accepting the relief supplies donated by internal and international donors with much gratitude.

2. The Emergency Supply Supervisory Committee consisting of departmental officials and non-governmental organizations is accepting and systematically keeping proper accounts the cash and relief aid donated by internal and international donors. Then, the Rehabilitation and Reconstruction Subcommittee consisting of departmental officials and non-governmental organizations is immediately delivering the items to the victims in the storm-hit areas.

3. Hence, wellwishers at home and abroad may contact the nearest Myanmar embassies, offices of the Military Attache, responsible persons of Natural Disaster Preparedness Subcommittees in the respective wards, townships, districts, states and divisions, other service agencies and official organizations and donate humanitarian aid.

4. Anyone may inform if he witnesses or knows that the cash assistance and relief supplies donated to the storm victims are kept for self-interest, traded, used for particular persons and organizations, or misappropriated for other purposes. We hereby announce that we have made all necessary arrangements to conduct investigation into the cases to expose the offenders and take punitive action against them in accordance with the law.

2. Hence, local and international donors may contribute relief funds and supplies for the victims earnestly and generously.

No infectious diseases except normal diseases common to the storm-hit areas are found

NAY PYI TAW, 18 May-The National Disaster Preparedness Central Committee yesterday issued News Release No 4.

The News Release No 4 is as follows:-

News Release No 4

1. In the Union of Myanmar, a severe cyclone “Nargis” occured on 2nd and 3rd May 2008 causing tremendous casualties and devastation in the coastal areas of Ayeyawady Division. The storm also swept Yangon Division causing loss and damages.

2. The National Disaster Preparedness Central Committee held its meeting at 8.30 am on 3rd May 2008 in Nay Pyi Taw and the civil and military medical teams were sent immediately to the storm-hit regions to provide health care services to the victims.

3. Hence, altogether 2,029 members of 122 medical teams joining hands with local health staff are earnestly providing disease prevention and treatment works in Yangon and Ayeyawady Divisions.

4. However, some foreign news agencies broadcast false information to the effect that the storm victims did not get health care services in full and there were dangers of cholera and other infectious diseases to break out.

5. The Government of the Union of Myanmar with its own strength as well as with the international assistance has been taking disease preventive measures and providing treatment fully to the storm victims. No infectious diseases except normal diseases common to the storm-hit areas are found.
